# NEWSLETTER

Joining OneTribe isn't just about attending services; it's about becoming part of a diverse family where we live out **Acts 2:42** - 'They devoted themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer.' We celebrate community because it's here that we grow in faith, support one another, and discover the joy of shared journeys. In unity, we find strength, and in community, we find a deeper connection with God and each other.

The **Career Series "Your Calling is Calling"** Office Challenge was such a blessing! Over four weeks, we delved into topics such as **Called to Work, Called to Create, Called to Engage, and Your Work is a Call to Worship**. We also had some input from experts in relative workspaces.

If you missed any of the teachings or interviews, don't worry! You can catch up on our website, YouTube channel, and podcast platforms like Spotify.

And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encourage one another. And all the more as you see the day approaching.

*Hebrews 10:24-25*

## ELDERSHIP ORDINATION

As a church, we aspire to be like the church in Acts (the next installation is coming soon!). Drawing from scripture, one of the ways Jesus (the chief shepherd) built the church was by appointing other shepherds whom we call elders! In that light, we anticipate appointing a new elder in OneTribe in the coming months, so we invite you to pray with us for God's power, anointing and wisdom.

Look out for more in the coming weeks!

## WORSHIP THROUGH SERVING

Serving within our OneTribe family is not just an opportunity; it's a calling. It aligns with the biblical truth found in **1 Peter 4:10: 'Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms.'** By serving, we grow not only in our Christian faith but also in our capacity to share God's love with our community. We have a multitude of avenues where you can put your gifts to use for a higher purpose. Are you ready to take this faith-filled journey of service?

[Click here to get started.](#)

Lifegroups are mid-week fellowships where you can get to do life with a Christian community and grow in the faith. These groups are a fantastic way to deepen your relationships with others and to grow in your spiritual journey. Consider joining one near you if you are not in one already here.

Do you have a word to share with the church?  
Please feel free to share it with us!
